NORDIC MOUNTAIN 2019/2020

4-Time Group Program

Instructions + Information

Thank you for your interest in being a **Group Coordinator for Nordic Mountain's 4-Time Program**. We appreciate your efforts, and upon successfully completing the steps below, we will reward you with a **FREE 2018-19 Family Season Pass** to Nordic Mountain.

You've taken the first step by taking the initiative to contact us. The rest is easy, simply follow these steps to a successful 4-Time Program.

1. Schedule Your Dates

Our program is offered any weeknight after 4:30 pm (excluding 12/24 - 1/1). Please fill out the 4-Time Group Dates Form. **Note: Fridays are especially busy and groups may be required to select different dates if capacity is reached.**

2. Make Up Date

At the beginning of your program, you will select one full-group make-up date in the event of a cancellation due to weather.

3. Promote Your Program

Use the 4-Time Student Information Form and Ski/Snowboard rental cards we provide you to begin your program. Forms should be sent home with students for their parents to complete.

Yellow Rental Cards

These are for anyone renting skis.

Green Rental Cards

These are for anyone renting a snowboard

*Parent/Guardian signature required for all rentals & lessons.

4-Time Group Program

Instructions + Information

Organization -Your Key to Success!

- Students are to return the **Student Information Form** with a check **written to your school/group**.
- The Group Coordinator will enter information provided from each member's **Student Information Form** into our Group Spreadsheet.
- The Group Spreadsheet is an Excel spreadsheet to track what each member of the group will need. This will calculate your total cost per group member, as well as your final cost to be paid at the start of the program. This spreadsheet is also on our website. You will need a Google account to complete the group spreadsheet. If you don't have one, creating one is very simple. If you are having troubles creating a Google account or need assistance, feel free to contact Andrew Pierson.
- After you have completed the excel spreadsheet, you will want to make certain that you have the corresponding rental cards collected from each student. Make sure of the following items:
 1. The cards are completed in their entirety.
 2. Yellow cards are used for any students with a ski rental.
 3. Green cards are used for any students with a snowboard rental.
 4. The lesson waiver is on the back of the card is signed for any students with a lesson.

Payment

- The school/organization's **Tax Exemption Certificate** will be used to help your program save. If the tax exemption form is not provided, sales tax of 5.5% will be added to your total. If your group is not tax exempt, be sure to add the 5.5% tax to each Student Information Form.
- Two weeks prior to the start of your program, **one total payment** should be submitted to Nordic Mountain. This should be a check from your school or tax exempt organization and must be received before the distribution of lift tickets and rental equipment. If and invoice is needed for your organization please contact me to request one.

Transportation

The Group Coordinator will be responsible for organizing the transportation to and from Nordic Mountain, and coordinate with each parent of group members.

Checking Your Group In

- Please send in ONE group coordinator to collect the lift tickets and rental cards to then be distributed to the students on the bus. From some of our larger schools, we will issue lift tickets in advance as well and these can be distributed on the bus as well.
- All Groups will check in at the GROUPS door at Nordic Mountain.
- The group coordinator should go in first to meet me. If not already done so, I will give the coordinator your lift tickets at this time. Distribute you tickets to your students.
- Students that do not need to rent and that are not taking lessons can head straight to the hill after receiving a lift ticket.
- We ask that all students registered for a lesson enter first to get their tickets and/or equipment so they are on time for their assigned time slot. Students with no rental and a lesson will wait at the rental exit door to meet up with an instructor

4-Time Group Program

Instructions + Information

Students that need rental will proceed into the building and each student will go through to pick up needed equipment.

Lessons will be started right outside the exit to the rental building at your scheduled time.

- Lessons will be conducted in a group format
- Lessons last 1 hour
- It is the student's responsibility to be to his or her lesson on time. Groups will not stay back due to late students.

Checking Out

Individuals will return all equipment to the Rental Department counter.

Depending on the size of your group, on your next visit you will simply repeat the process and pick up your rental cards and lift tickets upon arrival. For larger groups, we will distribute the rental cards and lift tickets prior to your visit.

Other Items to Remember

- For organizing a group of 25 or more, we award you with a Family Season Pass! You can pick up your pass once we have received your group's payment. Fill out the 4-Time Family Pass Form and bring it to the ticket counter to get your pass printed.
- Other than the yellow and green rental cards, all forms mentioned in this letter can be found on our website at www.nordicmountain.com/4time. If you need any forms mailed or delivered simply contact me and I will get them to you.
- During your group's four visits, we will issue you Loyalty Discount Cards. You will simply write the name of each student on each card and distribute them. This card gives students great discounts on lift tickets and rentals to return on their own during or after the conclusion of your program.

You are ready to be a Group Coordinator and conduct a fun and successful 4-Time Program at Nordic Mountain! Please do not hesitate to ask any questions throughout this process, as we are here to help you and your group members have an exciting ski/snowboarding experience with us at Nordic Mountain this season.
